Rules and Regulations

CRUELTY to and ABUSE of the HORSE

Cruelty to or the abuse of a horse present on the grounds of any Licensed Competition is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The Show Committee, or Competition Management in the absence of a Show Committee must bar violators from further participation for the remainder of the competition. It is the duty of the competition officials to report to the Federation any person who indulges in this practice for such further action as may be deemed appropriate.

Any action(s) against a horse by a competitor or an exhibitor, which are deemed excessive by a Federation judge, Federation steward, technical delegate or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Show Committee. Such action(s) could include, but are not limited to excessive use of the whip or spurs. Competitors and exhibitors have the right to contest any action taken pursuant to GR839.5 by filing a protest or grievance pursuant to Chapter 6 of the Rules for hearing and determination by the Hearing Committee.

For the purposes of this rule, the term "soring" is defined by the Horse Protection Act, 15 U.S.C. §1821.

Any Rider, who in the opinion of the judges, stewards, or schooling supervisors, uses his or her whips or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred and may be suspended from further showing for a 24-hour period starting from the time of the incident. In some cases the rider may be barred from further competition if further violations by that exhibitor take place with the same horse or other horses. All fees owed will be forfeited by that exhibitor with no compensation from the show. All incidents will be reported in the Steward's report and reviewed by USEF's Executive Director for further investigation and charges for hearing before USEF's National Hearing Committee.

POLING & OFFSETS

Manual poling and/or offsets with the use of a bamboo pole or any other device are prohibited at all times. Any rider or trainer found poling or using offsets, as well as the horse or pony involved, will be immediately eliminated from the class where the incident occurred and suspended for a 24-hour period starting from the time of the incident and will forfeit all entry fees. If further violations by the same exhibitor take place on the same horse/pony or another horse/pony, the exhibitor may be barred from further showing and forfeit all fees due to show.

Show Jumping Hall of Fame Jumper Classic Series

The Show Jumping Hall of Fame Jumper Classic Series is designed to give amateur-owner and junior riders an opportunity to compete at higher levels and serves as a proving ground for many riders who aspire to someday represent the United States in international competition.

With classes at approximately 100 horse shows across the country, the Series hosts separate junior and amateur-owner divisions in two Conferences—East and West. Series standings are used to help determine junior and amateur-owner entries for the Alltech National Horse Show and the Las Vegas National Horse Show.

Series winners receive year-end awards, and the Series offers Year-End Championship Finals for junior and amateur-owner riders at the Alltech National Horse Show and the Las Vegas National Horse Show.

Any horse show offering a class that meets all the criteria set forth in the Series specifications and has prize money of at least \$1,000 is eligible to be part of the series.

The Show Jumping Hall of Fame Jumper Classic Series is sponsored by:
